

# Metal Forming

SEPTEMBER 15–18, 2024

Kraków, 8 July 2024

## LETTER OF INVITATION

### **Invitation to 20<sup>th</sup> International Conference on Metal Forming 2024 September 15-18, 2024, Kraków, Poland**

**Full name and surname :** CHEN, YUQIANG

**Address:** Hunan University of Science and Technology, Yuhu District, Xiangtan City, 411201, PR China

**Affiliation:** Hunan University of Science and Technology

**Passport Number:** PE1820627

**Passport Expires: (date)** 11 APR 2028

**Date of Birth:** 28 OCT 1984

I am pleased to inform that your paper entitled

**"The study of twins and static recrystallization behavior based on torsion deformed <001>-oriented aluminum single crystals"**

has been accepted as a Lecture within the **20<sup>th</sup> International Conference on Metal Forming 2024** which will be held in Kraków (Poland) on September 15-18, 2024.

Metal Forming 2024 is the 20th edition of the international scientific conference, organized by the AGH University of Science and Technology since 1974. Main objective of the conference is to provide a forum for academics and industrialists to discuss and disseminate recent developments, innovations and advances in metal forming processes. You can find all practical information concerning the Metal Forming 2024 at the website: <http://metalforming.agh.edu.pl/>

Please be informed that all expenses related to attendance, such as travel and registration fees, are the responsibility of the attendee.

We are confident that attendance and participation in Metal Forming 2024 will be informative and productive. We look forward to seeing you in Kraków in September.

With Kind Regards,

A handwritten signature in blue ink that reads 'Krzysztof Muszka'.

prof. Krzysztof Muszka
